

This is the fifth convention of Alcoholics Anonymous in New Delhi. The first convention was held in February 2011. Over the past five years the convention grew and became stronger. We had members who shared from various Indian cities, and countries like Denmark, Australia, Scotland, Russia, Middle East, USA etc. The response was very positive, which gave the members strength to have the convention every year. This year we are having 5th Convention and we all will continue to organize this event every year for the alcoholics and their family members in our country's capital New Delhi. The Convention committee thanks all members for making the New Delhi AA Convention a grand success.

### Purpose of Our Convention:

- to carry the AA message of recovery, the three legacies of AA - steps, traditions & concepts;
- to make a convention accessible to all members in the region.

*"The tremendous fact for everyone of us is that we have discovered a common solution. We have a way out on which we can absolutely agree, and upon which we can join in brotherly and harmonious action. This is the great news this book carries to those who suffer from alcoholism"*
